### I GIVE...Employee Giving Campaign

**I GIVE to support the arts; I GIVE to feed hungry students; I GIVE to fund a scholarship; I GIVE to TRIO because TRIO works!** These are a few of the many reasons employees support the Yuba Community College District Foundation with monthly contributions through payroll deduction. It's easy to make a gift to support a scholarship, educational program or student service that has a special place in your heart. Every employee has the opportunity to make a positive impact in the success of students. Using the employee payroll deduction form, an employee can pick the program they want to support and pick the amount they want to give. It's that easy. The employee giving payroll deduction form can be found [here](#) or at [www.yccdfoundation.org](http://www.yccdfoundation.org). Everyone has a reason to give and support the success of students.

*Why do you give?*

### Donor Spotlight - Bayer Crop Science & South Yuba County Sunrise Rotary

**Bayer Crop Science** partners with Woodland Community College through the funding of annual scholarships for students pursuing careers in agriculture or agriculture-related fields. Woodland is the world headquarters for Bayer Crop Science's Vegetable Research & Development

Team, where they utilize technology to develop new varieties so growers around the world can grow quality produce.

In 2019 the **South Yuba County Sunrise Rotary Club** created a scholarship to support Yuba County High School graduates that enroll at Yuba College to pursue studies in a Career & Technical Education field. The Rotary Club's motto is *Service Above Self*, and they model that

on a year round basis by supporting local organizations with their contributions of time, talent and treasure.

Bayer Crop Science and the South Yuba County Sunrise Rotary Club are both making positive impact in the live of students through their generosity and commitment to Woodland Community and Yuba Colleges.

## I GIVE

...to TRIO because  
I believe TRIO Works!

I give to the Woodland Community College TRIO program to support the success of first-generation, income-eligible students and/or students who have a documented disability.

Dr. Caren M. Fernandez  
TRIO Advisor  
Woodland Community College

## I GIVE

...to support the arts and honor  
the memories of my mentors.

During my career at Yuba College I have been fortunate to be mentored by wonderful individuals such as Richard Ptacek in the Theatre, Howard and Joaquina Johnson from the Music Department, and Penny Fredell, Sara Swalesler and Glenn Husted from Art. Each of them had a profound impact on the arts and my life and I give to honor them.

Joseph P. Stottmann,  
Instructional Associate/Technical Director  
Yuba College Theatre Arts Department

*Like Caren and Joseph, you can support students with a gift to the YCCD Foundation. You can fund a scholarship, educational program or student service. Every gift is important and every gift makes a difference.*
